

# Electricity prices for November 1 – April 30

Electricity prices shown here are in effect Nov. 1, 2020 to April 30, 2021. These are the prices that appear on the Electricity line of your bill and are only for the electricity you use. They do not include other charges like delivery. If you have a contract with an electricity retailer, you pay the price agreed upon in the contract, not the price set by the OEB.
